If any director, being willing, shall be called upon to

NINTH. - That the capital stock of said corporation is FOUR HUNDRED FIFTY MILLION PESOS (P450,000,000.00), Philippine Currency, divided into Two Hundred Seventy Million (270,000,000) shares of Class 'A' Common Stock, and One Hundred Eighty Million (180,000,000) shares of Class 'B' Common Stock, both classes of shares being of the par value of One Pesos (P1.00) each. All shares of stock of the Corporation shall enjoy the same rights and privileges except only as herein otherwise provided. (As further amended on August 7, 1987; July 22, 1987; and February 25, 1994.)

(a) Shares of Class "A" Common Stock shall be issued subject to the following limitations, which shall be printed on the stock certificates for such shares: Only Philippine Nationals as defined herein shall be qualified to acquire, own or hold shares of Class "A" Common Stock of the Corporation, and no such shares may be issued, sold or transferred except to such Philippine Nationals. Any issuance, sale or transfer of shares of Class "A" Common Stock, whether

voluntary or by operation of law, made in violation of the foregoing condition shall be null and void and shall not be registrable in the books of the corporation. For the purpose of this provision, a Philippine National shall mean a citizen of the Philippines, or a partnership or association, or a corporation organized under the laws of the Philippines of which at least sixty percent (60%) of the capital stock outstanding are owned by citizens of the Philippines, unless a higher percentage of Filipino ownership shall be prescribed by applicable laws or regulations, in which latter case such higher percentage shall apply. In the event the corporation shall find that a holder of Class "A" Common Stock is not qualified or has in any manner lost his/its qualification to own shares of such stock in the corporation, then the corporation, either by itself or through any qualified and willing person or corporation designated by its Board of Directors, shall have the right to forthwith purchase the shares of Class "A" Common Stock of the disqualified stockholder at the market value of such shares which shall be the price at the closing transaction in such shares in the Manila Stock Exchange on the last trading day immediately preceding the date of purchase. Upon payment or tender of payment to the disqualified stockholder, the Secretary of the corporation shall have full authority, as the attorney-in-fact of the disqualified stockholder, to transfer the said stockholder's shares in favor of the corporation or to the transferee stockholder(s) designated by the Board of Directors of the corporation, which transfer may be made without need of any further authorization from the disqualified stockholder, who upon demand shall be bound to surrender to the secretary for cancellation the corresponding stock certificate(s) duly endorsed by such stockholder. The failure of such disqualified stockholder to surrender his/its stock certificate as aforesaid shall not, however, prevent, the aforementioned transfer from being registered in the books of the corporation and from being otherwise effective.

(b) Shares of Class "B" Common Stock shall be issued subject to the following limitations which shall be printed on the stock certificates for such shares. The total number of shares of Class "B" Common Stock which shall at any time be subscribed, issued or outstanding shall in no case exceed four-sixths ($4/6$) of the number of shares of Class "A" Common Stock then subscribed, issued or outstanding or 40% of the aggregate number of Class "A" and Class "B" Common Stock then subscribed, issued or outstanding. Any issuance of or subscription to any shares of Class "B" Common Stock in violation of this condition shall be deemed null and void.

If at any time the total number of Class "B" Common Stock subscribed, issued or outstanding exceeds the limits prescribed in the preceding paragraph, then the corporation may, at its option, issue or sell such number of Class "A" Common Stock to Philippine Nationals, at the price and in the manner provided in paragraph (a) hereof, or take such other action as may be necessary to insure that, after such issue or such other action, the total number of subscribed, issued and outstanding Class "B" Common Stock will not exceed 40% of the aggregate number of Class "A" and Class "B" Common Stock then subscribed, issued or outstanding.

(c) That the Capital Stock subscribed, issued and outstanding shall five (5) days after the approval by the Securities and Exchange Commission of this Amended Articles of Incorporation (the Effective Date), be deemed to have been correspondingly classified and converted into shares of Class "A" Common Stock and Class "B" Common Stock, depending upon whether the shares have been subscribed, or are owned and held by -

1) Philippine Nationals, in which event, to the extent of 60% of the Capital Stock of the corporation subscribed, issued or outstanding as of the Effective Date, such shares shall be classified as Class "A" Common Stock;

2) Non-Philippine Nationals, in which event, to the extent of 40% of the capital stock of the corporation subscribed, issued or outstanding as of the Effective Date, such shares shall be classified as Class "B" Common Stock; provided, however that all shares subscribed, owned or held by Philippine Nationals as of the Effective Date in excess of the 60% maximum limit prescribed in the preceding sub-paragraph (1) shall be classified and issued as shares of Class "B" Common Stock and distributed to such stockholders pro rata in accordance with their respective shareholdings as of the Effective Date. The Board of Directors may make such further adjustments as may be necessary to avoid issue of fractional shares or fractional interest in a share.

3) Certificates of stock covering shares issued and outstanding as of the Effective Date shall be cancelled and new certificates of stock, indicating the Class of Common Stock, shall be issued to the holders thereof. Until replaced by new certificates as provided herein, the existing certificates owned by Philippine Nationals as

of the Effective Date shall be considered as certificates for shares of Common "A" Stock and may be traded as such. Until replaced by new certificates as provided herein, the existing certificates owned by non-Philippine Nationals as of the Effective Date shall be considered as certificates for shares of Class "B" Common Stock and may be traded as such.

4) All certificates existing as of the Effective Date shall be surrendered and replaced with new certificates in accordance herewith within one (1) year from the Effective Date. The Board of Directors is hereby authorized to take such measures as it may deem necessary or proper to implement the replacement of the certificates.

In the event the corporation shall increase or decrease the number of its issued and outstanding shares of stock by way of a stock split or a stock dividend or a consolidation of shares or other capital adjustment, the holders of each class of common stock shall be entitled to receive, or be required to surrender, as the case may be, on a pro-rata basis, shares of the capital stock of the same class as that already held by the respective holders, with such adjustments as the Board of Directors may determine as necessary to avoid the issuance of fractional shares or fractional interests in a share. (Per amendment of July 22, 1975)

No stockholder of this corporation shall have any preemptive or preferential right of subscription to any shares of any stock of this corporation, or to any obligations convertible into stock of this corporation, issued or sold, nor any right of subscription to any thereof other than that such, if any, as the Board of Directors of this corporation in its discretion from time to time may determine, and at such price as the Board of Directors from time to time may fix, pursuant to the authority hereby conferred by the Articles of Incorporation of this corporation, and the Board of Directors may issue stock of this corporation, or obligations convertible into stock, without offering such issues of stock, either in whole or in part to the stockholders of this corporation. The acceptance of stock in this corporation shall be a waiver of any such preemptive or preferential right which in the absence of this provision might otherwise be asserted by stockholders of this corporation or any of them.

TENTH. - The Board of Directors shall have power from time to time to fix and to determine and to vary the amount of the working capital of the corporation; to determine whether any, and, if any, what part of any, accumulated profits shall be declared in dividends and paid to the stockholders; to determine the time or times for the declaration and the payment of dividends; and to direct and to

determine the use and disposition of any surplus or net profits over and above the capital stock paid in; and in its discretion the Board of Directors may use and apply such surplus or accumulated profits in purchasing or acquiring its bonds or other obligations, or shares of the capital stock of domestic or foreign corporations to the extent permitted by law and in such manner and upon such terms as the Board of Directors shall deem expedient; and shares of such capital stock so purchased and acquired may be resold, unless such shares shall have been retired for the purpose of decreasing the capital stock of the corporation to the extent authorized by law.

ELEVENTH. - That according to an agreement arrived at by the directors and stockholders of the company, the outstanding 188,080 no-par value shares will be converted into par value shares under this Re-Amended Articles, and that every no-par value share will be entitled to receive ten (10) preferred and ten (10) common stock; that the following stockholders of record, all of whom reside in the City of Manila, Philippines, have surrendered their no-par value stock for exchange with new shares of the Company, the number and value of which far exceeds two-thirds (2/3) of the authorized capital stock:
